Message:  
Dear Representatives,

Please vote AGAINST redistricting. This mid-decade change will only take away the voice of the voters. I urge you to wait until AFTER the 2030 census.

Please take the redistricting measures off the schedule so you can return to helping the people of Texas concerning flood management.

Even if I'm on your side, these games are reprehensible. Please be the grown-ups and get to work.

Jonathan D'Elia
