Message:

I am totally against redistricting. It is not absolutely necessary. Why isn't this discussed with us months prior to any discussions held by the State? We should be able to vote on this issue. There are many individuals as myself that don't fully understand why the State wishes to do this. It appears you are rushing it only to help one party and that is not what you should be doing. I ask that this at least be postponed at this time.
