Message:

Concerning the current efforts to redistrict Texas per federal instructions: I STRONGLY OPPOSE redistricting Texas at the behest of President Trump. Texas is not the lackey of the President. Redistricting to skew the votes to purposely garner more votes for a particular party is not fair representation of the voices of the people. It sets a precedent that will cause more chaos and disruption in future elections. We need our elections to be as fair and as honest a representation of the will of the people as we can get.

Thank you for your time
