Hello Senate Special Committee,  
Thank you for your service and time to  
collect public opinions.

I am strongly against Texas's mid-decade redistricting. It is a power grab that undermines democracy by letting politicians choose their voters. It silences communities and rigs the system for partisan gain. This is not representation, it's blatant manipulation. Fair maps should reflect the people, not protect power.

Please uphold the highest integrity and fair judgement in helping America through this difficult time in defending democracy.

Thank you,  
Katherine Nelson
