Message:

As a native Texan, I'm ashamed to see the direction that politics in my state has taken. I always believed my state stood for real values but I'm watching it bow to an authoritarian and no longer value it's citizens or democracy. It's not too late to do what's right and show concern for democracy and citizens rights. I'm asking that you don't follow through with what is clearly a power grab and racist move to redistricting. Represent your constituents as you were voted in to do.
