Affirm public info: I agree

Regarding: Congressional

Message:

I am against redistricting with the obvious intent of gerrymandering. Congressional redistricting right now would be even more unrepresentative of the people of Texas. Gerrymandering is a shameful act of silencing the voices of your constituents. The purpose of the state government is to serve the interests of ALL Texans. Please fulfill your job duties instead of spinelessly bowing down to the slimy feet of Trump.
