Message:

The redistricting being considered is a naked power grab by the majority party and will disempowers the votes of 20% of Texans, many of them people of color. 40% of Texas regularly vote for the democratic party, yet these maps are designed to make sure only 20% of the Texas seats in the US Congress are held by democrats. The voters of Texas deserve better. Every one of us has the right to have their vote be just as valuable as every other voter. These maps and previous gerrymandering by the majority party make sure that some votes are much more valuable than others. It is deeply unfair and undemocratic. Do not approve the redistricting proposal. This is a bride too far and will break any semblance of fairness in our elections.
