Message:

I strongly oppose the proposed redistricting plan. Redistricting should reflect the true demographics and interests of Texas communities, not serve partisan or discriminatory goals. The current proposal appears to dilute the voting power of minority communities and undermines fair representation. This is not only unjust, but it also erodes public trust in our democratic institutions. I urge the Senate to reject any maps that do not uphold the principles of equity, transparency, and accountability. Texans deserve fair maps that truly represent all of us-not just a select few.
