Message:  
To the Texas Senate Committee

I urge you to reject any gerrymandering efforts that would undermine the principles of a free and fair democracy. Your duty, sworn by oath, is not to a party or to a man, but to the Constitution and to all the people of Texas.

To redraw districts for partisan advantage is to silence voices, rig outcomes, and poison the trust Texans place in the democratic process. That trust, once broken, is not easily restored.

You were elected to serve, not just those who agree with you, but the entire diverse, complex, and beautiful tapestry of this state. Your loyalty must be to the people, not to power. Not to Donald Trump. Not to any one ideology. Your oath is sacred.

If you pass gerrymandered maps, history will remember your choice. So will your children, and their children. Ask yourself: Is this the legacy you want to leave?

Restore trust. Protect democracy.  
Uphold your oath. Texas deserves

nothing less.

PS. Every unjust vote you cast  
today invites a reckoning tomorrow.  
Power gained through suppression is  
power built on sand.
