Message:

I firmly oppose any redistricting efforts in Texas! you can not silence us! we need to be heard!
Gerrymandering manipulates district boundaries to favor one party over another. Particularly communities of color, young voters and working class TEXANS. We deserve equal representation and equal opportunity to elect leaders who reflect our values and needs. We demand a fair redistricting process that is inclusive, transparent, and accountable to the people.
Representation should not be privilege reserved for the powerful! It is a right guaranteed to all TEXANS!
