Message:

This redistricting is a shameless attempt to pack Congress with more Republicans. Republicans who do not have Texans best interest at heart. Who only wish to pollute our planet and destroy our sense of democracy at the hands of big daddy Trump.

We can not allow this to happen. This is fascism at play. It is not allowing the people to have a voice. By letting these new maps be drawn you are trying to suppress the votes. It is despicable.

Leave the districts alone. Let the people speak.
