Message:

Greetings Chair King and Members of the Senate Redistricting Committee:

I respectfully request the relocation of Harris County Voting Precincts 574, 168, and 230 from Congressional District 18 to Congressional District 29.

Precinct 574 (Bonita Gardens) is a long-established neighborhood with a 90-year history, consistently maintaining a Latino/Hispanic population exceeding 75%. We would like to take this Redistricting opportunity to relocate to Congressional District 29, which would enable us to engage in the political process alongside people who share similar social, cultural, economic, and historical interests.

Additionally, I am requesting the transfer of Precincts 168 and 230 to CD29 due to the strong connections that certain residents have with the 574 community as part of our civic organization. For your reference, I have included the demographics of these precincts.

Please feel free to reach out to me if you have any questions.

I hope we are moved to Congressional District 29.

Respectfully,

Laurie Flores
