Hello,

My name is Leland Dale Murphy. I'm a resident of Austin and longtime Texan.

I think it disgusting that y'all are trying to gerrymander once again. Stop trying to keep yourself in power by crafting maps in Republicans favor. This is going to backfire in your face. You're also diluting minority voting power in direct violation of the Voting Rights Act.

I don't expect to change your votes because you do the bidding of Trump and your donors, but maybe have a conscience for once. Try and win an election without cheating! I mean, Jesus, Trump just won a popular vote victory in 2024. You don't have to cheat to win, but y'all have chosen this route for years. Stop it. Now. Or expect retaliation from other states controlled by Democrats.

Best,
