Affirm public info: I agree

Regarding: Congressional

Message:

I am writing to express my strong opposition to the current redistricting process and proposed maps. These maps threaten to compromise fair representation by weakening the voting power of communities of color and urban Texans. Mid-decade redistricting like this disrupts the democratic process. I urge you to prioritize transparency, public input, and fair district boundaries that truly represent all Texans. Fair maps are important to uphold the principles of equal representation and protect the integrity of our elections.

This is not democracy. Texans deserve competitive, geographically reasonable districts that truly represent their communities. Redistricting should not be used as a tool to manipulate outcomes. It should be a fair and constitutional process that gives every voter an equal voice.

Thank you for your attention to this matter.
