Message:

The current Texas Legislative representatives must all vote NO on SB 4.

Good governance requires a NO vote.

The Voting Rights Act requires a No vote.

The Constitution requires a No vote.

Our democracy requires a No vote!

Why would you want to rob your fellow Texans of their equal representation under the law?

Why would you want to rob your fellow Texans of their voices and choices?

The way this redistricting/ gerrymander was done- prioritizing, at the direction of Donald Trump, disrespecting and putting to the side the needs of Texans for disaster relief, especially in the Hill country, the secrecy, the limited hearings, the unveiling of a map at the last minute, the targeting of people of color, is beyond shameful or disgraceful.
