Message:

There is absolutely no justification for the congressional redistricting being considered in the Special Session. It is unnecessary, confusing to voters, unprecedented and will cause the state to waste both time and money during the special session – only to later waste even more time and money in litigation over whatever maps are proposed. The only basis for the redistricting discussion is to satisfy Trump. Texans are strongly opposed to redistricting. Speak for your constituents - Not Trump. Please stop this pointless effort
