Message:

I am 100% opposed to redistricting our maps at this point in time. The 2021 maps already have been drawn to give an unfair representation for Republicans over Democrats in the State, and the thought that you would gerrymander them even MORE because Donald Trump told you to, is just outrageous. Frankly, it makes me wonder what dirt he has on Republican law makers in Tx, that they will bow to his command so easily. Please do the moral and correct thing and leave the maps alone. Thank you.
