Message:
Dear Senators:

I object to the plan to
redistrict Texas'
Congressional districts
mid-census. In the last
presidential election
Republican candidate
Donald Trump received 56%
of the Texas vote.
Republicans currently are
elected in 25 of the 38
congressional districts
or 66%. In other words,
Texas is already
gerrymandered in favor of
Republicans. This new
redistricting is a
blatant anti-democratic
(small "d") action
intended to
disenfranchise Texans who
disagree with Republican
Party policies and the
Trump administration.
Texas Senators, please do
your duty and vote to
fairly represent ALL
Texans, regardless of
party. Vote for Texas,
not Donald Trump. Thank
you.
