Hello ~ My name is Lori Jensen. I am 65 years old as of this past March AND I am pissed all the way OFF! (Got that as clean as I could).

And you know what? ~ I am far from alone. You know that though. And that my friends is what has brought this 65-year-old who, along with her husband, has done ALL THE THINGS we were told to do to be able to "enjoy our retirement". We did it. For over 40 years. Then along comes Trump 2.0 (we will not get into how the hell we got there again, at this time).

6 + Months. Six months, 6!, since he was sworn in (again shenanigans will not be discussed at this time) and we are here. With more stripped rights, scared immigrants (that built this fricking country BTW), and a pedophile in the white house actively manipulating the stock market on the daily.

That is just the highlights.

We women are pissed.

We are tired of the old white men, mostly, telling us what to do and how to do it.
That is not the land of the free. And, We THE PEOPLE want the land of the free.
We also want the people in "charge" to do their jobs!
They ALL, EVERY.Damn.One.of.them, took an oath.
We THE PEOPLE Demand They Honor Those Oaths.

They are NOT CURRENTLY DOING THAT THOUGH, Are they?
We THE PEOPLE Are Actively Calling Them Out On the Daily.
They do not appreciate our efforts it seems.

Let me break it down for you ~

If you do not do your jobs, we will vote you out.
We have called your offices, emailed your offices, showed up in person at your offices, protested with huge numbers, and showed up at your "hearings".
We THE PEOPLE Have Done Our Part.
You, our senators and representatives in DC? Nope.
Not once in the last 6 + months have you honored your oath to the constitution.
You know it and we know it.

The gerrymandering, not going to matter but it is wrong too.
We outnumber you by BIGGLY Numbers.
We know it and you know it.
You can repeat Felon 47's BS all you want to.
We ARE NOT BUYING IT!

Oh and leave the THC alone and mind your own business.
Listen to the Veterans for once!
They deserve that at the bare minimum.

So in conclusion, We THE PEOPLE BABY!
Led by our choice!
With Integrity.
And, most importantly, Liberty and Justice For ALL!!!
