Message:

I urge you to vote NO to change the redistricting map. I believe this is a dangerous precedent to set. Texas population has increased so much in the last 5 years and without the census how can you be certain the new districts are equitable to the population?
A President should NEVER ask for this!
Please do NOT bow down! You know it's WRONG! It makes you look like cowards NOT Legislators.

Thank you for your time.
Respectfully,
