Message:

Dear Senators, I am deeply concerned about the attempt at mid decade redistricting. This attempt to further disenfranchise

Democrats and communities of color is anti democratic and in the service of an authoritarian bully, not the people of Texas. The notion

that it will correct earlier maps is pure smoke screen and yet another attempt to gaslight the American people.

I beg you to drop this effort and to act with integrity and in the service of true democracy.

Sincerely,

Lynda West
