Message:

SB 4 - vote NO

YOU were elected to represent the citizens of this state, who overwhelmingly oppose the changes, not to do the bidding of the President, whose unpopular policies have put him at risk of losing the House. Prioritize the real problems of Texas: flood relief, emergency and natural disaster preparation, water projects, and more, NOT this unnecessary redistricting for political gain.

The process has lacked transparency, limited public access, and will be challenged in court, resulting in a waste of time and taxpayer dollars.

Redistricting in Texas will have a domino effect in other states, leading to chaos and litigation ahead of the 2026 mid-terms.

The heavy-handed actions of Republicans trying to force these changes is undemocratic and has resulted in legislative paralysis this session. The citizens of Texas deserve fair maps, developed through a transparent process that includes sufficient access for public comments.
