Address: [REDACTED]  
City: Houston  
State: texas  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

I firmly object to Texas's redistricting on the basis that the most recent realignments were just 4 years ago and were supported by census polls as provided every 10 years for this purpose. Additionally, I have considerable concerns regarding the fairness, representation, and adherence to legal principles that prevent the dilution of minority voting power and boundary manipulation of electoral constituents to favor any political party.
