Message:

El Paso is very similar to Dallas and Waco combined.
El Paso is the gateway to Texas since its inception.
To conveniently redistrict seems absurd and without
true merit unless the Republican Party is threatened
by our strength in our communities and our impact
in the polls. For that reason alone we should abstain
from this absurd topic of redistricting. Let the
people vote and may the chips fall as they may. But
more importantly may God bless Texas and the
United States of America.
