Message:

This Redistricting Special Election is an effort to illegally silence the Majority/Minority voices of Texas residents! This segment of Texas residents make an enormous contribution to the economy of our state and their families and communities should not be denied the right to have a representative voice of their choice to address their needs in local, state and federal government! Residents should have the right to choose their elected officials without prejudice. Gerrymandering is unconstitutional and Texas legislators should adhere and commit to their sworn oath and duty to our states constitution and the constitution of the United States! They should govern in a fair, unbiased and legal manner that protects the rights of the citizens of Texas! Texas legislators SHOULD NOT approve this illegal Redistricting plan!
