Message:

I am absolutely against the proposed redistricting map. I live in fast-growing Hays County. Our current map does not give us the focused voice we need to address our needs and the proposed map is even worse. We all know this proposed map makes no sense and that our voice is purposely being sacrificed for partisan purposes. Do what you know should be done -- vote this crazy map down.

Thank you for serving. Please show us how you can support the best interest of the people of Hays County and all Texans.
