Affirm public info: I agree

Regarding: Congressional

Message:  
the proposed redistricting  
map would in effect  
disenfranchise millions of  
Texas voters.

this is taxation without  
representation and does not  
represent who we are as a  
country...or at least who we  
used to be.

We are no longer the beacon  
on the hill for democracy  
and shenanigans like this  
only move us closer to  
authoritarian rule.

this becomes a slippery  
slope we don't want to go  
down.

We will not be silenced, we  
will just get louder.

don't cheat us out of our  
voice. our vote.

we're watching
