Message:

Hello, you are all leaders and this is a time to lead, not follow. You're blindly following right now and disregarding and disrespecting the will of the people. The people are aware and paying attention. Please be the bigger person, the smarter person and stop this unnecessary redistribution of power not based upon the census. Please vote to get this out of the hands of politicians and into a non partisan pathway. Y'all should know better! Do better and stop the redistricting that is a waste of time, energy, and money!!
