Hello,

It has come to my attention that Trumps administration called for Texas to find him 5 more seat in congress. And instead of having a back bone, y'all are caving and trying to give him what he wants. America prides itself on being a democracy but this is far from it. LISTEN TO TEXAS, we do not want our district lines changed, we want our voices heard!!!!!! We want POSITIVE changes to our state that gives everyone a chance to have their voices heard. If you change the district lines you will be silencing thousands of voices.. PLEASE DO THE RIGHT THING AND STAND UP TO TRUMP. please to the right thing and listen to texas when we say WE DONT WANT THIS.

thank you
