Message:

I live in Bexar County, and I know our districts need redistricting.... to undo the criminal gerrymandering the Republicans have already done to suppress the voices of Texas voters. The current effort to even further marginalize voters in specific populations is not only criminal and unconstitutional, it's blatant pandering to an authoritarian regime that has done decades of harm to our democracy. If you want to have any prayer of an excuse for action to cling to when what is right prevails, do not allow this terrible redistricting effort move forward.
