Regarding: Congressional

Message:

I believe that redistributing according to the proposed plan will even further take away the voting voice of many people, especially of those who do not agree with the proposers of this remapping. It is an obvious act of cheating and misuse of power.

This is a blatant political move to silence independents, liberals, and minorities. It is amoral and dishonorable and makes me ashamed to be a Texan. This is not how great Americans and true Texans act.
