Message:
Dear sir/madam;

I am completely against moving congressional lines. This is a clear violation of current laws. This is blatant gerrymandering in a public forum. This is only meant to skew results in favor a one party over another. Violating public representation is clear if this is allowed to proceed. I beg the committee to represent the public in not approving such a move that only violates the rights of its citizens.

Sincerely
Meredyth Petree
