Message:

"This scheme to carry out a mid-session redistricting is clear and blatant attempt to rob me, and millions like, of my voice.
The Governor and Republican Party, corrupt beyond measure, know their policies are unpopular with the People. So they are cynically denying the voices that we would raise against them at the ballot box. This is weak, it is corrupt, and it is neither the Texan nor the American way that I fought to defend. Any politician who defends this unconscionable practice is vile, captured, and unworthy. "
