Message:

I oppose any redistricting efforts in Texas that aim to silence or diminish the voices of voters. Gerrymandering, in any form, undermines the democratic process. It often dilutes the power of communities, young voters, and working-class Texans—who deserve equal representation. Every vote should carry the same weight, and every citizen should have an equal opportunity to elect leaders who reflect their values and needs. We must demand a fair redistricting process that is transparent, and accountable to the people. Representation is a right guaranteed to all Texans.
