Message:

I am so ashamed that the representatives that have sworn to represent their voters and defend the constitution have chosen to behave as if they represent and follow only the commands of TRUMP. This redistricting is a sham and everyone knows it .

There is no new census data only a command from TRUMP driving this and everyone knows it. Your voters will recognize this for what it is. You were elected to represent them, Not to be a puppet for TRUMP. This is shameful and history will record your part in this. Please reconsider these actions.

Thank You
Patricia Gatrell
