Message:

I am a Texas voter and I want you to know I am strongly opposed to congressional redistricting especially mid decade. Texas has a long history of gerrymandering districts to disenfranchise certain peoples. It is grossly wrong to thwart the will of Texas citizens at the request so brazenly made by the president to further his political power at the expense of Texas voters. It is undemocratic. Additionally, Texas legislature should prioritize more urgent matters like flood reparations and prevention over redistricting.
