Message:

I am against redistricting Texas now.
President Trump has requested that Gov. Abbott redistrict Texas again to gain 5 more Republican seats in Congress. We know this will result in further gerrymandering which will primarily weaken the voting power of Black and Brown people .
Gov. Abbott and Republicans in the Texas Legislature are only too eager to comply with Trump's request, just as they were eager to assist him with huge amounts manpower and resources to supposedly secure the Texas border.
Abbott and Texas Republicans want to support Donald Trump, when their primary concern should be working for all the people of Texas.
Texas is already redistricted and gerrymandered to favor Republicans enough . Texas should say "no" to this request from a weakened and scared Donald Trump.
