Message:

My district has been a political football for years, and I'm sick of it. Before the most recent redistricting, my area of east Dallas was lumped in with people from Canton... as far as an hour's drive away. It was clearly a partisan move meant to dilute the influence of Dallas voters. I know Republicans aren't hiding the fact that they have to choose their voters to win now, but you won't like it when the tables turn. And they will turn.
