Message:

Y'all need to stop being so power hungry. You know this will not get you any points when judgement day comes. Redistricting midway thru the cycle is pretty cowardly. You elected reps have proven to be great bootlickers but horrible at serving & taking care of those you took an oath to do just that. You should be embarrassed at your lack of any kind of honor or integrity. You will go down as some of the worst politicians this state has ever seen. Good luck saving your souls. I will do all I can to have your seat taken by a qualified, caring person that will help & not hurt us. And you are hurting us.
