Message:

The redistricting tactics are clearly intended to suppress an equitable distribution of voters across Texas. Between this tactic and voter suppression through limiting allowable ids (no student ids) and other rules (re-registering when moving in Texas) and no on-line registration make Texas 'behind the times'...NOT 'Texas tough'...it's 'Texas stupid' - and I don't think Texans are stupid. Quit making us out to look that way through shady, under-handed politics!
