Message:

As a Texas resident, I strongly oppose the proposed redistricting efforts that threaten to undermine fair representation in our state. Gerrymandering dilutes the power of voters by drawing district lines to favor one party over another, rather than reflecting the true makeup of our communities.

These efforts violate the principles of the Voting Rights Act and go against the foundation of representative democracy. Manipulating district boundaries to secure political advantage disenfranchises minority voters, weakens public trust, and leads to uncompetitive elections where politicians choose their voters, not the other way around.

I urge you to reject any redistricting plan that prioritizes partisan gain over fair representation. Please stand with the people of Texas, not out-of-state interests trying to tip the balance of power through unfair and undemocratic means
