State: TX  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

I am strongly opposed to redistricting in Texas to increase conservative representation. Our state is already heavily influenced by convoluted maps which only hurt the power of the individual vote. This is an attempt by the governor to satisfy selfish needs to remain in power, despite putting forward policies that hurt many Texans. Our district map already hurts representation of residents in the legislature, and I do not want to see it made worse.
