Message:

Anyone pushing for redistricting should be investigated and charged accordingly. To openly call for gerrymandering to save a dying ideology is not only pathetic it's illegal. The people being emboldened by the current commander in chief are the scum of Texas. They bring shame to the legacy of this great state. They do not speak for the heart of Texas. They damn sure don't have the values that Texas instils. I'm tired of looking at the leadership Texas has been given and seeing mostly greedy self serving hypocrites. The eyes of Texas are upon you, do not disappoint us.
