Message:

The mid-term redistricting of Texas at the President's request is a blatant attempt at voter suppression and disenfranchisement. Such gerrymandering is part of why our politics no longer serve the people our politicians are elected to serve. As citizens, we need bi-partisan solutions to problems and to have our voices heard and count. No party should be propped up by unfair maps that effectively keep them in power for decades on end while they don't fulfill their duties. I urge the Texas House and Senate to reject this redistricting effort.
