Message:

It is a rare thing that I submit testimony regarding a bill or plan in my state legislature, but this is one of those times. The gerrymandering plan is too important not to comment on. It is not only undemocratic, it reeks of cowardice and underhandedness. It is a shame that a governmental body, whose sole purpose is to represent its state and districts, needs to resort to such unsustainable and destabilizing tactics. Instead of using your power to create mayhem, try doing something that strengthens and unites the people of this good state. Please, do not allow this redistricting plan to go forward.
