Message:

I am adamantly opposed to mid-decade redistricting. Let's call it by a more accurate name --
Gerrymandering!

Texas is one of the most gerrymandered states in our nation, and now you Republicans want to
gerrymander it further. And I know and you know that gerrymandering, by definition is blatantly
cheating, dishonest, corrupt and wrong!

You are doing this to show yours and Governor Abbott's loyalty to Donald Trump -- a tyrant and
wannabe king.

Your loyalty should be to your constituents, for whom you all swore a solemn oath to represent.
But you are selling us out in order to please the Wannabe King!

Furthermore, I don't like the manner in which your effort to redistrict is being railroaded.
Not enough time is being allowed for individual citizens to testify and share their heartfelt
and very valid opinions.

I have been watching the livestreams of the hearings, and not one person has said, "I support y
our plan!" Every single one who has spoken has voiced their opposition.

Show some loyalty to your constituents! We are the ones who vote! And we can vote out!!!
