Message:

I DO NOT support what Republicans are trying to do. This is not representing the people of Texas, you are just pushing your own selfish narrative. The Republicans already gerrymandered and REPUBLICANS made the most recent changes to the distribution of district zoning. But you are not happy with the game you tried to rig so now you want to modify it even more? And using holding hostage the changes that could be made for emergency services for your own gain is disgusting. For years we've wanted better emergency services and notifications in the Kerville and surrounding areas. You use this as a pawn now that we've lost so many lives unnecessarily in order to get your hands on your own selfish interests.
