Message:

I respectfully ask that you reconsider your proposed redistricting. This is based on nothing more than Republican's concern about not doing well at midterms. Doing better at midterms is an easy problems to solve. Stop playing games in Washington! Do some actual work for the American people. Pass some legislation that helps the average Joe instead of just your rich donors. Please, we are begging you, stop the games...and that is what this redistricting is. Be a party of honor and win without cheating.
