Address: [REDACTED]  
City: Rosharon  
State: Texas  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

This initiative to gerrymander the current districts into misshapen plots will not represent the average Texan and will silence voices. To participate in this opens the door for it to be done back and more aggressively by other states and will lead to future chaos. This choice gives small payout but the consequences that will come in the future at undeniable
