Message:

I am a resident of San Marcos and Texas's 35th congressional district. I very strongly oppose Republican's proposed redistricting plan and any redistricting plan that dilutes the voices of Texans anywhere in the state. Every Texan, regardless of their address or political affiliation, deserves to have their voice heard and be fairly represented in the U.S. House of Representatives. Republican's redistricting plan fails this mandate, instead choosing to prioritize partisan gain over core tenets of representative democracy—fair and equal representation.

Any and all members of the Texas Senate and this Committee who still believe in fair representation and democracy must oppose this plan, for it clearly does not fairly represent the interests of Texans. Anything less than opposition to this plan is tantamount to abandoning the core principles of fair representation and democracy.
